**AND ALL THE BEST PROGRAMS, GAMES,  
THEMES, DOCUMENTATION AND MORE!**

**TURN OVER FOR DETAILS OF WHAT'S ON THE CD AND IN THE BOOK**

The image shows a CD-ROM with a complex, abstract design. The top half of the disc is white, while the bottom half is a deep red. The red area is covered in a pattern of overlapping, wavy lines and a grid of small, dark circles. A large, white, stylized number '1' is centered on the red background. The overall aesthetic is high-tech and artistic.

1

**DISC ONE**

● **Mandrake Linux 7.2 Installation CD 1**

**THIS CD IS BOOTABLE**

# 2

## DISC TWO

- Mandrake Linux 7.2 Installation CD 2
- Linux Pocketbook Extras CD

To browse: Start Netscape and open 'default.htm' in the root on the CD

The image shows the cover of a Red Hat 7.0 Installation CD. The background is a vibrant red with a complex, abstract pattern of overlapping geometric shapes and textures, including a grid of small circles. A large, white, stylized number '3' is centered on the cover. The top edge of the cover is white, suggesting the CD's surface.

3

**DISC THREE**

● Red Hat 7.0 Installation CD 1

**THIS CD IS BOOTABLE**

# 4

## DISC FOUR

- Red Hat 7.0 Installation CD 2
- Linux Pocketbook CD

To browse: Start Netscape and open 'default.htm' in the root on the CD

### **THE POCKETBOOK CD**

You can use these CDs with any machine that supports a Web browser.

### **HELP**

If you have any problems with the CD or your CD is damaged, email [apccd@acptech.net](mailto:apccd@acptech.net) or fax (02) 9267 4909 with details of your system and the specific problem or problems you have encountered.

Please include a return address, email address and daytime telephone number so that we can contact you.

### **INSTALLATION INSTRUCTIONS**

Simply launch your favourite browser and load the file default.htm in the root directory of the CD.

### **DISCLAIMER**

All software and documentation is provided as is, with no explicit or implied warranties. ACP Tech cannot be held liable for any damage that you may incur as a result of using the software or documentation provided. ACP Tech will, however, replace damaged or faulty CDs.

The content of the CDs is current as at 17/10/00.
